horses, he has built a Thoroughbred empire.

Twenty-seven years of experience with Thoroughbreds has caused Galbreath to state modest goals. "All we want to do is raise some good horses," he says. "It's just as simple as that."

This "simple operation, which began in 1933 on a 160-acre farm near Columbus, Ohio, with four \$100 brood mares and a gift colt by High Time named Tommy Boy as the stallion, now spreads over 3000 acres near Columbus, and an additional 400 acres of what was formerly Colonel E. R. Bradley's Idle Hour Farm, Lexington, Ky. Galbreath's latest addition is the stallion Ribot. Unbeaten in 16 starts in England, France and Italy, Ribot, now an 8-year-old, was literally priceless. Galbreath could not buy the horse, so he leased him for 5 years for \$1,350,000... a "rental" of about \$740 per day.

John W. Galbreath, owner of Darby Dan Farm, is a builder. His realty and construction operations probably exceed \$100 million annually. He builds multi-million dollar skyscrapers such as the 45-story Socony-Mobil Building in New York, and he builds low-income homes for tens of thousands of families. For relaxation, he also builds. As president and majority stockholder of the Pittsburgh Pirates, he has sought to build a pennant winner of the erstwhile league doormat. As a breeder of race

Vikings Close Season With 27-0 Win; Chargers Defeated by 12-6

By BILL NESENON Herald Correspondent
In addition to the regularly scheduled games this weekend, a football jamboree was held at Waleria Park featuring a round robin of football between teams in the peewee division of the Southbay Pop Warner Conference.

The Redondo Admirals defeated the Torrance Vikings 13 to 6, the Palos Verdes Lancers won over the Admirals 18 to 6. In the closing game the Lancers beat the Vikings 6 to 0.

In the regular scheduled Sunday game the Vikings defeated the Whittier Terriers, 27 to 0 in their finest showing of the year. John Reynolds scored the first touchdown from 6 yards out. George Ray scored the second TD on a 16 yard end run, and in the

fourth quarter Paul Gadbois raced 45 yards for a score after intercepting a pass. Ronald Stone culminated the game scoring with a 9 yard touchdown run.

The midget division Chargers closed the 1960 season with a 12-6 loss to the West Covina Lobos. The Lobos scored in the first quarter on a 35 yard pass play, while a blocked punt recovered behind the Charger goal line gave them a touchdown in the second quarter. A 14 yard pass to Terry Tiedeman thrown by Robert Landreth gave the Chargers their only score.

The playoff games to decide the winner in the South Bay Pop Warner Conference peewee division will begin Saturday at 10:30 a.m. at Waleria Park, the home field of the Torrance Pop Warner teams.

Cerritos Next

El Camino Nipped by Santa Ana

Coach George Stanich's El Camino run-run basketballers will be chasing a .500 percentage mark Saturday night in hopes of catching and canning host Cerritos JC in another non-conference game.

The Warriors dropped their third game in five 1960 starts Tuesday, 72 to 63 at Santa Ana after pulling even for the season last Saturday with a 78 to 65 triumph over Glendale.

El Camino hit 46 per cent of its shots from the floor as Ron Wey and Mike Schrader both pumped in 16 points to lead Saturday's win, but no such luck against Santa Ana.

Stanich's fast-breakers return home Tuesday to meet perennially tough LA City College before embarking on a two-game week end road trip that'll carry the team to Santa Barbara and College of Sequoias, up north.

North Wrestlers

What may be molded into North High's finest wrestling team will hold its first home meet of the season tomorrow evening at 6:30 against Hart High of Newhall.

The Saxon mat artists annihilated Beverly Hills last week, 49 to 7 while the junior varsity squad rode in to a 47 to 3 win.

Second Intra-City Basketball Battle Set Tonight in Tournney

An unprecedented second "intra-city" basketball battle in two days will unfold sometime this evening, thanks to the Pacific Shores Tournament. South High will go against either North or Torrance, pending the outcomes of their respective first round games in yesterday's tournney-opening action.

IF THINGS went according to Hoyle, South, which met heavily favored Culver City in the Aviation High gym yesterday, will go against Torrance at 6:30 tonight at Mira Costa.

Torrance was a pre-tournney underdog to rival North although the Tartars came through with a 72-78 win last year.

The Torrance-North victor will meet the winner of the South-Culver City clash at 8 p.m. tonight at Aviation.

Meanwhile, 12 other teams will be matched in championship bracket and consolation bracket games.

Semi-finals will be held Friday at Aviation and Redondo, with the finals set Saturday in the Redondo pavilion.

LAST YEAR'S champion, Glendale, along with Culver, Mira Costa and North are pre-tournney favorites to wind up in the finals.

South and Torrance split

two Pioneer League games last year, and will get their lone chance at a 1960-61 meeting tonight—if both teams were dumped into the consolation bracket yesterday, of course.

Going into yesterday's match North had a 3-2 series edge over Torrance.

Rams' Phillips Bids for 1000 Yards Club

Jim Phillips will be bidding to become the fifth Rams' end to gain membership to the team's "1000-Yards" club in the final two games of the season.

Phillips, who caught eight passes for 114 yards against the 49ers last Sunday, now totals 43 receptions and 772 yards for the season. By averaging 114 yards per game against Baltimore this week and Green Bay the following week, Phillips would join the magic circle of receivers which is headed by Elroy Hirsch and includes only Bob Boyd, Tom Fears and Del Shofner.

Hirsch, now the club's general manager, totaled 1495 yards on receptions in 1951 to establish an NFL record which still stands. Boyd amassed 1212 in 1954, Fears totaled 1116 in 1950 and Shofner netted 1097 in 1958.

Round Robin Carnival Set Dec. 23 At South Hi

Participation of Torrance's three high school varsity basketball teams in a round robin type basketball tournney with Bishop Montgomery High School was approved Tuesday night by the Board of Education.

The proposed tournney will be held in the South High gym on Friday, Dec. 23. In the tournney, the school district will cooperate with the Chamber of Commerce to help raise funds for the city's entry in the Jan. 2 Tournament of Roses Parade.

School officials from the Torrance schools and from Bishop Montgomery will cooperate with Torrance Chamber officials in the planning.

The board was told that under the proposal, each of the four teams would play each of the others, making a total of three games for each school. Games would be somewhat abbreviated to allow all six games in one evening.

Awards will be presented to the outstanding player from each team at the end of the evening.

The 93-piece Torrance All-star High School Band, which will march in the Rose Parade, will perform for spectators during the game interlude.

DFG Spokesmen Report State Hunting Down From Last Season

During the first week of pheasant season the overall hunting pressure on state-managed areas was slightly down from last year, DFG spokesmen said.
